**In re: Your Lecture at Rotary Club Sella Maris Haifa (Israel)**

On behalf of all members of Rotary Club Stella Maris Haifa (Israel – district 2490), I would like to express my sincere gratitude and indebtedness for your very fascinating lecture at our Rotary Club, delivered yesterday *via* Zoom.

Your lecture, entitled “Service Projects Adopting Community,” was very well delivered, and touched upon very challenging topics. It was both enlightening and inspiring. You left us extremely thrilled and thirsty for more to learn from you and your experience.

This shall be remarkably noted, that apart from members of our Rotary Club, other Rotarians, presidents, past presidents, presidents-elect, district governors, governors’ nominee, both from Israel and abroad, attended your lecture, besides other presidents, governors, and members of the Inner Wheel and Rotaract in Israel.

We look forward to developing our Rotarian relationship, thus establishing profound premises for Rotarian collaboration between our clubs.

Rotary Club Stella Maris Haifa is the first Arabic speaking Rotary club in Haifa, and it is the second-largest club, among other five Rotary clubs, in Haifa. It consists of 55 members; all are leaders in their professions and fields of expertise.

We look forward to hosting you again in the future.

**Sincerely Yours,**

**Prof. Mohammed Wattad  
President**
